

**THE VICTORIAN ASSOCIATION OF
PSYCHOANALYTIC PSYCHOTHERAPISTS**

Are you interested in becoming a Psychoanalytic Psychotherapist?

The Victorian Association of Psychoanalytic Psychotherapists is accepting expressions of interest for its next professional course commencing in July 2017

Training in Psychoanalytic Psychotherapy with Adults

Training provides supervision and seminars to enable candidates to:

- Engage in intensive longer term psychotherapy with their clients
- Understand the underlying reasons for emotional difficulties
- Effectively interpret to clients their unconscious communications
- Work with the transference and counter-transference

Candidates are required to undergo personal psychoanalytic psychotherapy concurrent with the training.

On completion, candidates may apply for membership of the Victorian Association of Psychoanalytic Psychotherapists.

The course is open to graduates of relevant disciplines with clinical experience.
